

Wedding Photography

“Great photography can be an incredibly powerful memento, one you will have long afterwards.”

An overview of our services is as follows. Explore our website gallery for other examples and information. At our initial photography consultation, we will review your event and select which poses and settings you want to capture before your ceremony, at the ceremony, before the reception and at the reception or if you have special guests that you want the photographer to include.

This photography will start 30 minutes before the ceremony with the photographer taking pictures of the bride and groom arriving for the big day. The photographer will then capture your wedding ceremony. After the ceremony, the photographer will photograph the wedding party in the church, beach or wedding hall. The guest may take pictures after the photographer is finished with the bride and groom and members of the wedding party. The balance of the photographer's time will be at the reception choreographing the pre-selected photographs.

Many years of experience has helped us to prepare our wedding coverage to fit the needs of our clients, as we have learned that there are varying types of weddings that need a wide range of coverage as well as price. We hope that we are able to talk to all of our clients and feel that we have given them what they need in wedding coverage, and filled the needs of the most important day of their lives. As there never seems to be the norm we are of course, willing to work with you on an individual basis.

Formal bridal settings are available in our studio. This has become a real specialty and we enjoy them tremendously. It gives us the opportunity to “know” our brides before the wedding day.

Bridal sittings are 2 hours, includes full length, ¾ and close-up portraits of the bride. This setting is \$200.00

Engage Portraits are also available, and are usually taken at a location that is decided by both you and the photographer. Black and white glossies for the newspaper or announcements are available from this setting. We like to capture a more relaxed bride and groom at an informal atmosphere. This setting is \$150.00

A deposit is required for all weddings, this holds the day on our calendar and assures you that we are there and prepared for the wedding. The deposit will vary from a minimum of \$250.00 to a maximum of \$500.00 depending on the coverage that you chose. A 50% of the balance is due 5 days before the wedding with the remaining balance payable upon completion and delivery of our wedding services.

If you have any questions, or feel that you would like to structure your coverage in a different way, please feel free to talk to us about it. We will be happy to work with you, within the structure of our packages.
